John Perrett 1764

Advantages like the opportunity to transition comfortably from training to private practice -- while you expand your clinical skills, "test the waters" in different professional settings, and take all the time you need to find a practice just right for you;

Or the opportunity to rejuvenate your spirit and reorient your career after several years in private practice (and perhaps as many disappointments!?)

Or the chance finally to have all the freedom and flexibility you dreamed of, while pursuing the perfect ending to a successful career.

As a member of our staff, you work as much as you want, when you want, in practices you prefer. We make the arrangements, pay the expenses, provide your malpractice insurance, and ensure that you have exactly the kind of experience you were looking for. It's a complete package, and it's available only from KRON!

KRON knows locums because we created the service 10 years ago.
